

Let's Go

Shopping

with Marjorie

Dear Shoppers;

I feel so grateful to Louise Morino for this cute, clever and original poem she has sent me and given me permission to use in the column. I would like to share it with you.

Let's go shopping with Marjorie We promise you much fun. She's charted your course to save money, and put shopping blues on the run. She's traced down the best of the bargains. She's lined up values galore. Go look for yourself at these items.

For you there's a treat in store. With gifts on our mind, let's stroll over to the **FLAMINGO FLOWER AND GIFT SHOP**, 1344 El Prado. Even if you want to lay-away \$1.00 or \$2.00 gift items you are welcome to do so. That's the best way to start crossing names off your Christmas list. For a wonderfully practical gift look at the Pennsylvania Stoneware with China glaze on wrought iron stands. There is a lovely salad set, various casseroles, pitchers and other pieces in this lovely overware on display in the window. In the background is a breath-taking arrangement of vividly dyed pampas plumes, cat tails and fall leaves. Bet you would be interested in some of these to brighten your home.

Say gals, I found something to really rave about. I stopped in at **ALPERTS TREND-MAKER** at 2067 Torrance boulevard and he gave me something to try so I could speak from my own experience. It's **VICTORY MIRACLE**. It's a magic polishing cloth. I had a brass lamp that was really tarnished, I wish you could see it now. It shines to high heaven. The paint splashes on the side of my refrigerator are now removed. It's a miracle... it cleans, polishes and waxes everything. It's only 50 cents and it makes furniture look like new. Stop in, Mr. Alpert will give you a free sample cloth.

As a suggestion, Robes make fine Christmas gifts. Every woman enjoys the luxurious feeling of lounging about in a colorful quilted robe. At **BENSON SHOP**, 1271 Sartori avenue I found a fine new selection to choose from and now is the time to put them on Lay-away. Many of them have the practical 3/4 sleeve that allows you to do up the evening dishes in comfort. If you favor the full length or the short style robe you will find smart, becoming detail in the selection at **BENSON'S**. Prices start at \$7.98 and they look so comfy cozy. Warm winter flannel P.J.'s are in. Such cute styles in plaids, checks, prints and solid colors. Button or slip on styles that say "Let's Relax."

At **TRESKES MENS STORE**, 1319 El Prado we find an extensive selection of robes. All of the finest wools, rayons, imported fabrics and terry cloth. Everything any man would want for his lounging wear. Let me especially tell you about their outstanding robes of Viscose, imported fabric. They come in lovely plaids that feel so very soft. It is completely washable and retains its softness. All rayon robes are completely lined and you will find it easy to choose his favorite color. Be sure to put one on lay-away soon for the man in your life.

Now I'm really in the holiday spirit after seeing the lovely, fussy, frilly holiday dresses at **KALES CHILDRENS SHOP**, 821 El Prado. They can be as frilly as you want them because you won't need to iron them. They're all nylon. Nylon dotted swiss, stripes, checks and solid luscious colors. This year your daughter will look like a Christmas angel in technicolor. These all nylon dresses are available in dresses from age 1 to semi-teen. Large selection to choose from... use the lay-away plan.

We Mothers are all interested in the very best care we can give our children. Corrective footwear is often needed to eliminate flat feet or other foot problems. You can now buy a shoe to correct or prevent foot troubles. I am speaking of the **LITTLE YANKEE NORMALIZERS** found right here at **LE KING'S SHOE STORE**, 1319 1/2 Sartori. I have seen marvelous results accomplished with these corrective shoes. For a more detailed explanation regarding these shoes and the care of growing feet stop in at **LE KING SHOE STORE**.

I always obtain interesting, educational news from the **LOMITA HEALTH FOOD STORE**, 24820 Narbonne avenue. There is a definite need for the B vitamins for it is essential for the proper functioning of nerve tissue, helps us resist infections

and aids absorption of foods and digestion. The easiest and most inexpensive way to get vitamin B is in Brewer's yeast. You find you can save money and your health through proper nutrition. May I suggest you too visit the **LOMITA HEALTH FOOD STORE** soon.

About now we are starting to get our house ready for the Holiday season. Some of the bedspreads and blankets probably need to be washed or dry cleaned and what about your larger dinner table clothes? May I suggest **ED'S AUTOMATIC LAUNDRY**, 1331 El Prado for efficient and dependable service? They handle any and all of your washing needs as well as a complete dry cleaning service. Remember the free parking in the rear for your convenience. They also give green stamps for laundry services.

PORTERS located 1265 Sartori avenue are having a clearance on curtains. Curtains which usually sell for \$2.50 to \$4.50 are now half price. Take advantage of this saving to get your house ready for the holiday season. They also carry all sizes in **CAMEO SHIRBACK** curtains, available in chrome-spun, nylon, orion or Dacron. I also found many items of interest for Christmas gifts at **PORTERS**. Beautifully packaged towel sets and lovely lace table cloths that are truly appreciated gifts yet are priced so reasonably.

This week at **McCOWN DRUG**, 1327 El Prado there is a special on **DOROTHY GRAY** lotion. Regular \$2.00 size on special for \$1.00. Blustery weather lotion, helps prevent chapping and makes an ideal body rub. Special dry skin lotion is wonderful for flaky skin. Makes an effective powder base or greasless over-night cream. The popular Estrogenic Hormone Lotion is made up of special ingredients to help keep face and hands young looking. They are all lanolin enriched. This is even a good gift item for those little remembrances.

Time to think about warm coats. This fall they have so many extra appealing points of value for you. Have you heard about the new insulated lining? Gives you warmth without weight, warmer in cold weather, cooler in the hot sun. Such lovely colors... we no longer wear a coat just to keep warm, it should be a compliment to us and our good taste as well. Here are a few coats under \$25.00... a smart box style coat with a clever tie at the neck, water and wrinkle resistant and includes a matching umbrella. Also a belted style in a nice fabric and various colored corduroy coats with matching hats. All found at **SAM LEVY DEPARTMENT STORE**.

Have you heard about the **PETER PAN** "Hidden Treasure" bra? It is something we have needed for a long time. The perfect contours are built right into this bra for the perfect solution to the problem of a small or in-between size bust. It's a secret, not a dead give away. The complete line of famous **PETER PAN** bras are found at **ADAMS DRESS SHOP**, 1274 Sartori. Have all your clothes fit right... look right. Compliment your figure with a good foundation.

In answer to the calls for bedspreads, I feel sure you will find your needs at the **HOME DRAPERY SHOPPES**, 16907 South Western avenue and 16415 South New Hampshire. You have the opportunity of choosing from a wide selection of fabrics and colors. Have your spread

custom made any style you prefer. Matching drapes or curtains to add the finishing touch. Ready made spreads are available here from \$12.95. I like the gay gingham check with white eyelet trim. Many colors to choose from, even ready made curtains to match. Pillow shams and vanity skirt available in this same gay gingham check.

It's fun to eat dinner out, especially when it doesn't put too big a dent in the family budget. Let's go to **GEORGES MEAT'N PLACE** because this week he is offering you a complete Shrimp or Scallop dinner for \$1.25. Your dinner includes soup, main dish plus French fries, a tossed green salad and dessert. If you so desire, they are happy to fix you a lettuce or tomato salad, or cottage cheese or any other salad you prefer with your meal. A Special child's plate is served for only 80 cents.
